BLUEGRASS CLAIMS
VOL. 10 ISSUE 12
DECEMBER 2020

PRESIDENT'S LETTER

Wow! I can't believe that December is here and Christmas is right around the corner. I hope that you and all of your families are safe and well. This has been a hard year for all of us and I think I can speak for the majority when I say "Thank God it is almost over". This year has gone by in a flash and nothing about it has been normal. We have had to work through difficult times and make adjustments this year that none of us have enjoyed. We have made the best with what we have and that shows me that this group, our group the BGCA, are the best people in the insurance industry. We came together and even though we were not able to have a Christmas party this year we still raised \$7,175 for charity. That beat our goal of \$7,000 and it is all because of you! The board and I can't thank you enough for the donations that you provided and the support that we received.

The live stream didn't go as smoothly as we planned but it is posted on the Facebook page for you to view. I would like to thank all of our sponsors that donated a gift or money. Our sponsors were the back bone for this event and we thank them for all their support. Like I said before, this has been a hard year and the fact that you and them were able to give like you did really shows the caring of this group. With the money raised we will be able to feed 287 families this Christmas through the Salvation Army Food Angel Tree. So again, Thank You!

Looking into next year, we still have plans to have a golf outing in June and a Christmas party in December. If this virus clears up and we are no longer on lock down we are looking to have a full explosion of events to make up for this crazy year that we have had. Saying that, the board and I have decided that if you paid your annual dues for 2020 we are going to roll that over for 2021. We plan to keep you posted on when we will be able to have in-person meetings again and we hope that will be very soon.

Lastly, I know I have said it a million times but thank you all again for everything and sticking with us through this hard time. The board has worked very hard this year to come up with new ideas and find ways to work past our road blocks. I thank them so much for everything that they have done this year and look forward to working with them again next year. As your president I plan to keep leading us in the right direction and to continue to grow the group. New membership is important and I must find ways to keep engaging young and old professionals to keep our group strong. I hope that next year will not be as much of a roller-coaster of events like it was in 2020. Please stay safe, keep washing your hands, and wear your mask. We have made it this far and I plan to see you all next year when all of this is over. I hope everyone has a Very Merry Christmas and a Happy New Year!

Sincerely,

Adam Weintraut

BGCA President
