PRESIDENT'S LETTER

Who is already tired of the ice and snow? This year keeps hitting us with curve balls. I didn't think 2020 could be out done but 2021 is asking everyone to hold its beer. This year is coming in fast with capital raids, capital gains, and crazy weather. If like me you're still bitter that you missed out on Gamestop and have to keep your day job. Then on top of it all this year sends a cold front to freeze those harsh feelings hoping to thaw by summer and be in a better mood come July. I think what I am trying to say is that I miss normalcy. All jokes aside I hope everyone is safe and well and had a great Valentine's Day!

This letter is going to be short and sweet. There isn't anything new to report at this time. Right now we have plans in place for the golf outing and the Christmas Party. We even have contingency plans if those fall through. If 2020 has taught us anything it's that we should have a backup plan for our backup plan.

Once COVID starts to clear up and we can see the light at the end of the tunnel, aka restrictions are lifted, we will have more details on the outings and Christmas Party. Make sure and read our monthly newsletter for updates.

We are looking into having an upcoming virtual meeting on Zoom. No dates have been set. If you would be interested in something like this please give us some feedback and let us know if you would attend. We would discuss all the normal business matters and have a speaker; we would also lift the 2 drink ticket maximum. Please let us know if this would be something you would like us to do.

In closing, I would like to thank everyone for sticking with us this long. We are trying to stay relevant and find things to keep this group active. If you have any ideas for activities that we can do during this pandemic please let us know. Until I can see you all again please stay safe, keep washing your hands and wearing your mask. We are almost through this and I miss every one of you all.

Sincerely,

Adam Weintraut

BGCA President
