

President's Letter

Who is ready for football season? August is coming to an end and tailgates are right around the corner. I hope everyone is doing well. It was awesome to see everyone at the golf scramble. The golf scramble started a little wet and delayed but the afternoon turned out to be successful and fun. I would like to thank everyone that signed up to play and thank our sponsors because the event would not have been possible without them.

If you missed the golf scramble or golf just isn't your thing then I have good news. We are going to have at least 4 more events this year and might be looking to have a 5th. Next month September 16th we will be going back to our monthly meetings. We will not have a speaker at this meeting but we will still read the minutes and update everyone on future events. Plan to come and hangout so we can all catch up as it has been a rough two years. Oh, did I mention that it is going to be at Goodwood in Lexington Green? We liked our first meeting there so much we decided to go back.

For our last two meetings of the year, October and November. We will be having our normal meeting format with a speaker. We have found a new location that will be able to accommodate our group and we are very excited to see all it has to offer. Our October and November meetings will be taking place at the Palomar Country Club here in Lexington. We will be sending out a formal address so that you can get it in your GPS.

Lets not forget about the biggest party of the year! Our Christmas Party! This will count as our December meeting. There will be a live band, great food, and awesome people so make sure and sign up because you will not want to miss this event. Oh, did I mention that it is on December 10th? I feel like I might have reminded you guys in a couple of previous newsletters...

Also, if you are not getting our newsletters or know someone that is not getting our newsletters make sure and email: info@bluegrassclaimsassociation.com to get on our mailing list. You do not want to miss our announcements!

Lastly, I have ran out of stuff to talk about. Golf Scramble was great!
Lets make sure the Christmas Party turns out just as well. Keep washing your hands and I hope everyone stays safe. I plan to see you all at Goodwood next month!

Sincerely,

Adam Weintraut
