BLUEGRASS CLAIMS

VOL. 13 ISSUE 1

JANUARY 2023

Welcome to the New Year! I hope everyone had an awesome 2022 and I hope that 2023 will be better. I don't plan to take much of your time and only want to give a recap of the year and what we have to look forward to in 2023.

Looking back to last year; we had a very successful year. This group never ceases to amaze me in how you respond to the call. The golf outing and Christmas party was a huge success and only continues to get better from year to year. With the golf outing we had one of the biggest turnouts with golfers we have ever had and the Christmas party we raised over \$3,000 that we donated to the Salvation Army. 2022 was a great year and all thanks goes to you, our members and vendors.

Moving forward we have added a new addition to our board, Luke Smith with Graymark Exteriors has accepted the Membership Chair position. We look forward to working with Luke and growing our membership this year. If you have any ideas for membership or growing membership of the BGCA please talk to Luke.

The board and I have already been working diligently to come up with plans and activities this year. For our March meeting we plan to have a March Madness event that you will not want to miss. This may include lots of basketball and no speaker. More to come on this event; so keep an eye on your emails for updates.

We have a full year of CEs planned and I hope that you can come and support our speakers. If you do not need the credits, then come and see some familiar faces and you might learn something too. CEs aren't the only thing you have to look forward to this year! We are planning to get more involved with community service and trying a few different things out. I hope to see a lot of participation in this endeavor as this is a staple for what this group means.

Lastly, I would like to thank each and everyone of you for sticking around and putting up with me this long. This has been a fun ride thus far and I look forward to what this year has to bring. Please, as always keep washing those hands and bring some new friends with you to this month's meeting. I hope to see everyone there.

Sincerely,

Adam Weintraut

BGCA President
